Discussion was started by President Justin Arndt at 8:30 am.

Justin said that he had two topics for discussion: the proposed guidelines for meeting that he had sent and the proposed July 5 worship date.

Steve suggested that there be no church service, in or out, where we were together until it was clear that we could do it safely. This was supported by Angie, Nalani and ultimately by consensus.

Nalani raised the possibility of an automobile-based service. Justin, "Due to the uncertainty with COVID-19, we talked about the possibility of having "car church" using a radio transmitter. Nalani & Lori will be looking into that possibility this week." The general feeling expressed was that this could begin as soon as it could be arranged.

Chicken grilling is still pending.

The Newsletter will be used to inform every one of the situation as it will be mailed and emailed on June 29. It will include updated financial information.

Nalani reminded everyone of cemetery gravestone leveling that will be taking place next Saturday, June 27. She is recruiting and you should check with her for information.
