### Pastor's Report:

Council Meeting--January 17, 2021

\* This past Tuesday (January 12), the Wisconsin Council of Churches sponsored a webinar, "Returning to Church 2.0." I have forwarded to Justin the information that was sent to me, but I want to share some important take-aways from the session.

As of January 14, 2021, vaccinations completed in WI = 0.45%, Cases/100K population = 59 (7-day average), Positive COVID tests = 28%. "These are far above the threshold for safe gathering. In light of these statistics, and the new, more highly transmissible COVID variant, which is now circulating in the US, we recommend that churches abstain from gathering in physical space, indoors OR outdoors, at this time."

Other take-aways for me were-- our priority is "life and health of neighbor." Return should not occur "until vaccination rates are well over 50%" (Safest is when vaccination rates are 70-85%+) and "viral transmission in [the]community is very low." It is suggested that we "track COVID cases per 100,000 and the rates of positive tests. Our safer threshold for gathering is when cases are less than 5 per 100,000 population and positive tests less than 10%."

**\* Ash Wednesday is one month from today (Wednesday, February 17). Palm Sunday is March 28, and Easter is April 4. I would like to use the ELCA's "Lent 2021 Study," from the "40 Days of Giving" (a free resource), in place of our Wednesday Lenten gatherings (as in year's past). It is 5-weeks long. Each week's study is 2-pages in length and includes questions for reflection. We can send the study via email or regular mail. Participants can work with a partner(s) at home or select a partner(s) to call each week to discuss the study and share their answers to the reflection questions.**

This particular study addresses the topics of hunger, injustice and peace. It includes references to programs in Milwaukee, and Luther Place Memorial Church in Washington, D.C. (which was mentioned in the Jan. 6, 2021, letter of Bishop Leila Ortiz that was sent to the St. Paul email list this morning).

\* The "Walk through the Bible," book that I mentioned at our last council meeting, will most likely be the adult study of *Manna and Mercy* by Daniel Ehrlander. I will ask Nalani to order some copies for the church, that the Education Committee and Council members are welcome to peruse. The book is easy to understand. It highlights the importance of many Biblical events from the Old Testament to the New Testament. The study would begin once we are able to return to in-person worship.

Nalani added to the Pastor's Report:

Ron Koebernick's cemetery committal

Dale Graunke's funeral in the sanctuary

Nola Geary gravesite committal which will be held this Tuesday at 11:00 AM
